DETAILED ACTION

1. The previous rejection is withdrawn pursuant to Applicant's April 25, 2006 Amendment and REMARKS.

Claim Rejections - 35 USC § 103

2. Claims 21-26, 35, 36 and 38-44 are rejected under 35 U.S.C. 103(a) as being unpatentable over Kitano, US 6,085,256.

Kitano discloses a server, e.g. 11, terminals, e.g. 13, 14, and a communication network, e.g. 15, for creating a virtual environment. Kitano does not specifically disclose simulation delays. However, Official Notice is taken that transmission delays have been common knowledge in the electrical data transmission art. Further, the Official Notice previously taken is deemed admitted as not traversal by Applicant was noted. To have simulated message transmission delays for Kitano would have been obvious to one of ordinary skill in the art. It is noted Applicant's claim language is rife with intended use claim language, e.g. for simulating, that is given less patentable weight than positively recited claim language. As understood, Kitano may be adapted to perform such intended use claim language. Applicant's April 25, 2006 REMARKS are noted, but is moot in light of the new grounds of rejection.

3. Further references of interest are noted on the attached PTO-892.

Conclusion

4. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
